

# WINDOWS ON HOPE

June 2005

Dear Sisters, Associates, and Friends,

Welcome to this new communications venture on the occasion of our 10<sup>th</sup> Anniversary as Dominican Sisters of Hope.

This milestone gives us momentum to move out to a new title, a new format, and new life for all of us. Our previous publications served us well over the years. Now it's time to begin anew.

Through *Windows on Hope*, we will share with you varying experiences and perspectives on *hope* from the lives and ministries of our sisters as well as our involvement in, and concern about, national and international issues.

*Windows on Hope* will be published seasonally and will be made available online at [www.ophope.org](http://www.ophope.org).

As always, your comments and suggestions are welcome. We look forward to hearing from you!

Sincerely,

Donna Brunell, OP
